

# New Year Wishes for 2008

From

Lalao

I want 2008 to be the best year yet. I want to be a good girl, and to listen to the staff when they give me advice. I don't want to argue with my friends anymore, and I will try to be more polite and respectful towards older people.

I hope to pass my Baccalaureate exam. I want to improve my studies and myself. I wish for there to be peace between everyone.

I want to forget all the bad things from my past and I want to be a new girl. I will listen to the staff when they give me advice. I want to stay happy.

I want to be a good girl and to work hard at school and pass my primary exam at the end of school year. If I pass my exam I can go to secondary school. I don't want to argue with my friends any more. I would like to be loved by everyone at the centre.

I will do my homework regularly!  
I want my school at Akany Avoko to be the best.

I will try to improve my handwriting, and not to play around in the classroom during lessons.

I wish to continue my studies and to become very smart so that when I finish school I will be able to get a good job. I hope to continue living at Akany Avoko.

*Wishing you love and happiness for 2008  
From all the staff and children at Akany Avoko*
