

Christmas at Akany Avoko

At Christmas, we try to ensure that, where possible, our children spend part of the holiday with any remaining family they have. To make sure that these children don't miss out on the festivities we hold our Christmas celebration early. This year's party took place on the afternoon of Friday 18th December. It is our pleasure to share it with you...

The childcare centre started off the party with Christmas songs and dances

Next was a performance of the Nativity (Joseph and Mary pictured right)

Each of the primary school classes had also been busy preparing for the party.

The kids LOVED performing. Seeing the delight on their faces was the best gift we could have asked for.

Gifts were then handed out by staff, friends, a Malagasy film star and even the acting EU Ambassador

The older girls were delighted with their gifts and didn't need asking twice to model them for the camera!

Before coming to Akany Avoko many of these kids had never received a Christmas gift before in their lives.

As dusk arrived we all sat down together for an enormous Christmas feast!!

This year's Christmas festivities were made possible through the kindness of cherished friends of Akany Avoko and also the ongoing support of dozens of sponsors. Together you enable Akany Avoko to continue offering a second chance to destitute children all year round. We thank every one of you and wish you a wonderful Christmas...
